### ABOUT THIS DOCUMENT

This Target Market Determination (TMD) applies to the described in Pet Insurance Dog & Cat Introductory Charity Plan 4 – Week Trial Policy PCAU Sovereign PDS Charities 112024 Product Disclosure Statement and Policy Wording Document dated 112024 and any applicable Supplementary Product Disclosure Statement (SPDS).

The TMD seeks to offer customers, distributors, and employees an understanding of the class of customers for which this product has been designed, considering their likely needs, objectives and financial situation. This TMD describes the circumstances in which we believe the product is likely to be suitable. Customers who fit those circumstances are collectively called our target market.

This TMD does not take anyone’s personal circumstances into account, nor does it form a part of the terms of cover. In addition to the key eligibility requirements outlined in this TMD, it is also subject to acceptance criteria and the TMD does not include all the factors we consider when we decide whether to issue insurance.

Customers must refer to the PDS and any supplementary document(s), which outline the relevant terms, conditions, exclusions, excesses, your rights and obligations and insurance cover being provided under the product, when making a decision about this product. We recommend that customers contact their broker or distribution partner and read the relevant PDS for full details on cover to determine whether the product is appropriate for their objectives, financial situation and needs.
